Awareness-Raising Workshops for Community Groups

The British Institute for Human Rights are offering 20 community groups the chance to participate in free, online workshops on using the Human Rights Act in practice.

WeCAN, led by Tonia have come together to apply for this training on behalf of the Alliance. We should know by 3rd February if the application has been successful or not.

Best of luck - and thank you WeCAN!

Help us help you - Six Things Campaign

Health leaders across Herefordshire and Worcestershire are asking people to look after themselves this winter by doing six simple things to stay well over winter and to help prevent additional pressures on the NHS.

Winter always sees a rise in infections, such as flu and respiratory illnesses but this year, with Covid still around and people mixing more over the festive period this has put additional pressure on health and care services.

Please help us share this campaign far and wide and raise awareness amongst the communities you support.

Six things you can do to help yourself, your loved ones, and the NHS this winter

Help shape active travel in Worcestershire

Worcestershire County Council are in the process of setting up an Active Travel Stakeholder Group. WCC are almost ready to start on work to ensure that future plans for active travel are inclusive and joined up. The aim is to support people to make positive choices about how they complete short journeys in particular by walking or wheeling where possible.

WCC are currently in the promotion period for creation of the group, with the aim to attract representation from many groups including those who already embrace active travel, as well as those who want to but face barriers along the way. We are particularly keen to include those who can represent groups of people with protected characteristics.

They aim to launch the group in Spring 2023. If you would like to be considered for group membership, please respond with your name, name of the organisation you represent, and contact details so we can get in touch following the promotional period.
